Dear

The Alliance for Telecommunications Industry Solutions (ATIS) is pleased to extend a personal invitation for you to attend the 2026 3rd Generation Partnership Project (3GPP) Working Group Meetings, at the BMO Centre at the Calgary Stampede in Calgary, Alberta, Canada, over the dates of November 16-20, 2026.

The Immigration, Refugees, and Citizenship Canada Special Event Code for this event is 26GPPW – please be sure to include this code in your visa application.

3GPP unites seven telecommunications standard development organizations, known as Organizational Partners, providing their members with a stable environment to produce the Reports and Specifications that define the 3GPP system. ATIS is the North American Organizational Partner for 3GPP. The 2026 3GPP Working Group Meetings will cover a wide range of topics, including SA (Service and Systems Aspects), CT (Core Networks and Terminals), and RAN (Radio Network), some of the most crucial areas in the ongoing development and standardization of Access mobile communication technologies.

ATIS is not providing financial assistance to help with airline tickets and accommodations expenses.

Provide a copy of this letter with your visa application in addition to tagging your application with the IRCC Special Event code 26GPPW.

If you have any questions regarding your registration, please contact Jo Seibel at visas@atis.org or jseibel@atis.org. We look forward to seeing you at the 2026 3GPP Working Group Meetings.

Jo Seibel
